## MINIMUM DISTRIBUTION INFORMATION AND INSTRUCTIONS

---

### I. GENERAL INFORMATION

These instructions are designed to provide general information about the minimum distribution requirements applicable to Governmental 457(b) plans under the Internal Revenue Code (the "Code"). If you want your minimum distribution amount to be calculated automatically and distributed to you each year, complete the attached Automated Minimum Distribution Request form. You will automatically receive periodic payments calculated by dividing your prior year's December 31st account balance by the life expectancy factor provided in the life expectancy tables contained in the applicable Treasury regulations, using your age in the year of the distribution. You only have to complete the attached form once.

You may choose to make the calculations yourself or with the advice of your legal or tax advisor. See below for more information.

Service Provider is required to comply with the regulations and requirements of the Office of Foreign Assets Control, Department of the Treasury ("OFAC"). As a result, Service Provider cannot conduct business with persons in a blocked country or any person designated by OFAC as a specially designated national or blocked person. For more information, please access the OFAC Web site at:

<http://www.treasury.gov/about/organizational-structure/offices/Pages/Office-of-Foreign-Assets-Control.aspx>.

### WHAT ARE THE MINIMUM DISTRIBUTION REQUIREMENTS?

In general, the rules for participants are as follows:

- You are required to begin taking minimum distributions by your required beginning date. Your required beginning date is April 1 of the calendar year following the later of: (1) the calendar year in which you reach age 70 1/2 or (2) the calendar year in which you retire from the employer sponsoring your Plan, unless the Plan specifies otherwise.
- If you were born between January 1 and June 30, you reach age 70 1/2 in the same calendar year as your 70th birthday. If you were born between July 1 and December 31, you reach age 70 1/2 in the next calendar year, and your required beginning date is April 1 of the following calendar year.
- If you elect to defer your first distribution to April 1 of the calendar year following the calendar year in which you turn age 70 1/2 or retire, you will be required to take two payments that year: one by April 1 following the year in which you turned age 70 1/2 or retired and one by December 31 of that same year. You must take a minimum distribution by December 31 of every calendar year thereafter.
- If you are participating in more than one type of retirement plan (i.e., 401(a), 403(b), IRA), your minimum distribution must be calculated and taken separately from each plan.

To choose an amount in addition to your required minimum amount, you must complete a Distribution/Direct Rollover Request form. To obtain the form for your Plan, contact your Representative.

If you request an amount in addition to your minimum distribution amount, you will receive two different payments. One payment will be your required minimum distribution. The other payment will be the additional amount you request.

### CALCULATING YOUR OWN MINIMUM DISTRIBUTION

You may choose to make the calculations yourself or with the advice of your legal or tax advisor. If you choose to calculate your own minimum distribution, you must make the calculation each year and must submit a Distribution/Direct Rollover Request form each year. No payments will be sent to you automatically and you will not receive an annual reminder. You may request one or more partial withdrawals from your account each year, but each request must be on a separate form. If you fail to request a withdrawal for any year, or if you withdraw less than your required minimum amount in any year, a 50% federal excise tax is imposed by the IRS on the amount you should have taken but did not. This is in addition to ordinary income tax. For example, if your required minimum distribution amount is \$2,000.00 and you only took a distribution equal to \$1,000.00, the excise tax would equal \$500.00.

**IF YOU CALCULATE YOUR OWN MINIMUM DISTRIBUTION, YOU ARE SOLELY RESPONSIBLE FOR THE ACCURACY OF YOUR CALCULATION.**

### II. INSTRUCTIONS FOR COMPLETING THIS FORM

**If you currently receive periodic payments that meet or exceed the minimum distribution requirements, do not complete this form.**

If any section of this form is incomplete or inaccurate, you may be required to complete a new form or provide additional information before the distribution can be processed.

If you need to cross out a previously elected choice(s), you **MUST** initial the change to validate the change or the request may be returned for verification.

**Note:** Service Provider will calculate your minimum distribution **ONLY** on the assets that Service Provider administers.

**Participant Information** - Please provide the information requested. Account extension identifies funds that were transferred to you through a divorce or death. If you have been assigned an account extension but left this field blank on Page 1, we will distribute from extension 001.

**Spousal Information** - Complete this section **only** if: 1) your spouse is your sole beneficiary, **and** 2) your spouse is more than 10 years younger than you, **and** 3) you are choosing to use a joint and survivor calculation. Provide the information requested regarding your spouse. A copy of your spouse's birth certificate or a copy of your spouse's driver's license must accompany this form.

**Payment Start Date** - You may **not** elect the 29th, 30th or 31st as your payment start date. If you select the 29th, 30th or 31st, your payment will start on the 28th of the month. If no date is specified, Service Provider will set up the payments using the date received.

This request **must** be received at the address listed in the Signature(s) section at least **30 days before** the payment start date for all payment options. The payment start date is the date the funds will be disbursed from your account. Please allow several days after your payment start date for delivery of your check.

Indicate the frequency of your payments. If you do not elect a frequency, the default frequency will be annual.

If the box regarding periodic payments is **not** checked, payments under your current periodic payments (if any) will stop and you will only receive the minimum distribution elected on this form.

**Investment Options** - Your distribution will be disbursed proportionately from all available core investment options unless you specify otherwise. To specify the core investment options from which you would like your required minimum distribution to be processed, attach a separate sheet of paper listing the funds from which you would like to have your distribution taken. You must also specify the percentage of the distribution that you would like to be processed from each fund.

If you have a Self-Directed Brokerage ("SDB") account, it is your responsibility to contact the provider to transfer the funds to be distributed to the core (non-self-directed brokerage) investments before we can process your payments. The funds to be distributed must be an amount in excess of the "core minimum." The core minimum is the amount of funds (required by your Plan) that must be maintained in your core funds at all times.

If sufficient funds have not been transferred from your SDB account into core investments prior to Service Provider's receipt of this request or at any time during your payment schedule, your SDB account will be permanently closed and your entire balance will be transferred into the core funds.

**Automated Clearing House (ACH)** - Complete this section only if you want your payments to be electronically deposited into your checking or savings account. ACH credit can only be made into a United States financial institution (bank/credit union). You may not designate a business account or an IRA. Complete the financial institution name, account number, ABA routing number, financial institution mailing address, city, state and zip code. For a checking account, you must attach a preprinted voided check. If a preprinted voided check is not available, you must attach a signed letter from your financial institution, on their letterhead, that confirms the ABA routing number and your name and account number. For a savings account, you must attach a letter on financial institution letterhead signed by a representative of the financial institution that includes your name, savings account number and ABA routing number.

ACH is a form of electronic funds transfer by which Service Provider can transfer your payments directly to your financial institution. Allow at least 15 days from the date Service Provider receives this properly completed form to begin using ACH for your payments. Upon receipt of this properly completed form, Service Provider will notify your financial institution of your ACH request with the account information you have provided. The pre-notification process takes approximately 10 days. During the pre-notification process, your financial institution will confirm with Service Provider that the account and routing information you submitted is correct and that it will accept the ACH transfer. After this confirmation is received, your payments will be transferred to your financial institution within 2 days of the first payment date. If your payments are withdrawn from investments that are subject to time delays upon withdrawal, the deposit to your financial institution may be delayed accordingly. In the event of a change to your minimum distribution, your electronic funds transfer may be subject to a delay, and a check will be sent to your last known address on file with Service Provider.

If your financial institution rejects the pre-notification, you will be notified and your checks will be mailed to you until you submit an Electronic Fund Transfers (ACH) form. As a result, it is important that you continue to notify Service Provider in writing of any changes to your mailing address.

By choosing an ACH credit to your financial institution account, you are authorizing Service Provider to initiate credit entries and, if necessary, debit entries and adjustments for any credit entries in error to your checking or savings account.

You are also authorizing your financial institution, in the form of an electronic funds transfer, to credit and/or debit the same to such account. Service Provider will make payments in accordance with the directions you have specified on this form until such time that you notify Service Provider in writing that you wish to cancel the ACH agreement. You must provide notice of cancellation at least 30 days prior to a payment date for the cancellation to be effective with respect to all of your subsequent payments.

Service Provider reserves the right to terminate the ACH transfers for any reason and will notify you in the event of such termination by sending notice to your last known address on file with Service Provider.

It is your obligation to notify Service Provider of any address or other changes affecting your electronic fund transfers during your lifetime. You are solely responsible for any consequences and/or liabilities that may arise out of your failure to provide such notification.

By electing ACH, you acknowledge that Service Provider is not liable for payments made by Service Provider in accordance with this properly completed form. You authorize and direct your financial institution not to hold any overpayments made by Service Provider on your behalf, or on behalf of your estate or any current or future joint accountholder, if applicable.

ACH delivery is not available to a foreign financial institution or to a United States financial institution for subsequent transfer to a foreign financial institution. Any requests received containing foreign financial institution instructions will be rejected and require new ACH delivery instructions.

**Income Tax Withholding** - The taxable portion of the distribution you receive is subject to federal income tax withholding unless you elect not to have federal income tax withholding apply by checking the appropriate box.

If you elect not to have federal income tax withholding apply to your distribution, or if you do not have enough federal income tax withheld from your distribution, you may be responsible for the payment of estimated tax. You may incur penalties under the estimated tax rules if your income tax withholding and estimated tax payments are not sufficient. You may revoke your election by written notification to Service Provider at the address provided in the Signature(s) section.

If you do not check the box "Do NOT withhold federal income tax," federal income tax will be withheld from the taxable portion of your distribution as though you are married claiming three income tax withholding allowances.

If you live in a state that mandates state income tax withholding, it will be withheld. If you wish to have additional state income tax withheld or live in a state that does not mandate state income tax withholding, you may elect to have an additional amount withheld. Check the appropriate box on this form. If you made such an election, we will withhold state income tax based on a default rate provided by the state of your residence. It remains your responsibility to ensure that state income tax withholding is sufficient to cover your state income tax liability.

If you are a U.S. citizen or U.S. resident alien and your payment is to be delivered outside the U.S. or its possessions, you may not elect out of federal income tax withholding.

If you are a non-resident alien, you must attach IRS Form W-8BEN. In general, the income tax withholding rate applicable to your payment is 30% unless a reduced rate applies because your country of residence has entered into a tax treaty with the U.S. and the treaty provides for a reduced income tax withholding rate or an exemption from income tax withholding. To obtain the IRS Form W-8BEN, call 1-800-TAX-FORM.

Contact your tax professional for more information.

**Participant Consent** - Your signature and date are required for this distribution.

**Registered Representative Signature** - Forward to your local Registered Representative at the address in the Signature(s) and Consent section.

**Important Note:** These instructions do not represent investment, tax, or legal advice. Your distribution will be based upon the information you provide on the applicable form and your account balance. It is your responsibility to initiate minimum distribution payments by your required beginning date and to ensure you receive payments meeting the minimum distribution requirements each year.

You should consult with an attorney or tax advisor who can answer any questions regarding the minimum distribution requirements.
