

## Commonwealth of Virginia Deferred Compensation Plan Regional Enrollment/Education Meetings

Education sessions are now available to State employees and employees of participating political subdivisions. To learn more about the Commonwealth's 457 Deferred Compensation Plan and meet your local registered representative, attend a meeting at your agency (check with your HR Office for time and location). You may also attend one of the Regional Enrollment Education Meetings being held at locations throughout the Commonwealth.

**Find the session that's right for you and join us! Learn about the "Features and Benefits" of the Deferred Compensation and Cash Match Plans, attend "Account Management Strategies" or focus on the "Advantages of Budgeting." We have added "Post-retirement Strategies" for retired participants and those nearing retirement. Both participants and non-participants are invited! Pre-registration is not required.**
