## FDIC Insurance Limit Reminder

The Federal Deposit Insurance Corporation (FDIC) provides insurance coverage for certain retirement account deposits up to \$250,000. The basic insurance for other FDIC-insured accounts (checking and savings, for example) continues to be \$100,000. If you invest in the **FDIC Bank Option**, your WDC funds in that account have FDIC insurance coverage protection up to \$250,000.<sup>1</sup> However, any amount that exceeds \$250,000 is *not* insured by the FDIC. Account balances in the **FDIC Bank Option** are insured separately from any other accounts (such as checking or savings accounts) that you may have at M&I Bank, the WDC's **FDIC Bank Option** provider.

Please call the WDC staff toll free at (877) 457-WDCP (9327) between 7:00 a.m. and 7:00 p.m., Monday through Friday, if you have questions regarding FDIC insurance. ■

*FDIC Insured Bank Option:  
M&I Bank has declared an  
annualized interest rate of  
4.97% for the fourth  
quarter 2007.*

1 The WDC FDIC Bank Option is the only investment product in the WDC that offers FDIC insurance on account balances. All other WDC investment products offered are not FDIC-insured and may lose their value.
